ABOUT US

Mqhele Wethu Trading and Projects is a 100% Black-woman-owned company proudly rooted in South Africa. Since our establishment in 2014, we have grown into a trusted service provider in the construction and general maintenance industry. We specialize in a wide range of services including building construction, roadworks, renovations, plumbing, electrical work, cleaning, catering, tree felling, grass cutting, and other general projects.

Our strength lies in our highly skilled workforce, strict quality standards, and client-focused approach. Every team member undergoes thorough training and job orientation to ensure they deliver professional service that meets and exceeds expectations.

We serve clients across the public and private sectors—including government departments, commercial developments, residential buildings, and mining operations—with a firm commitment to excellence, integrity, and safety.

At **Mqhele Wethu Trading and Projects**, we **never cut corners, never compromise on quality**, and we **never stop building towards a better South Africa**.

MISSION & VISION

*Driven by quality. Defined
by integrity.*

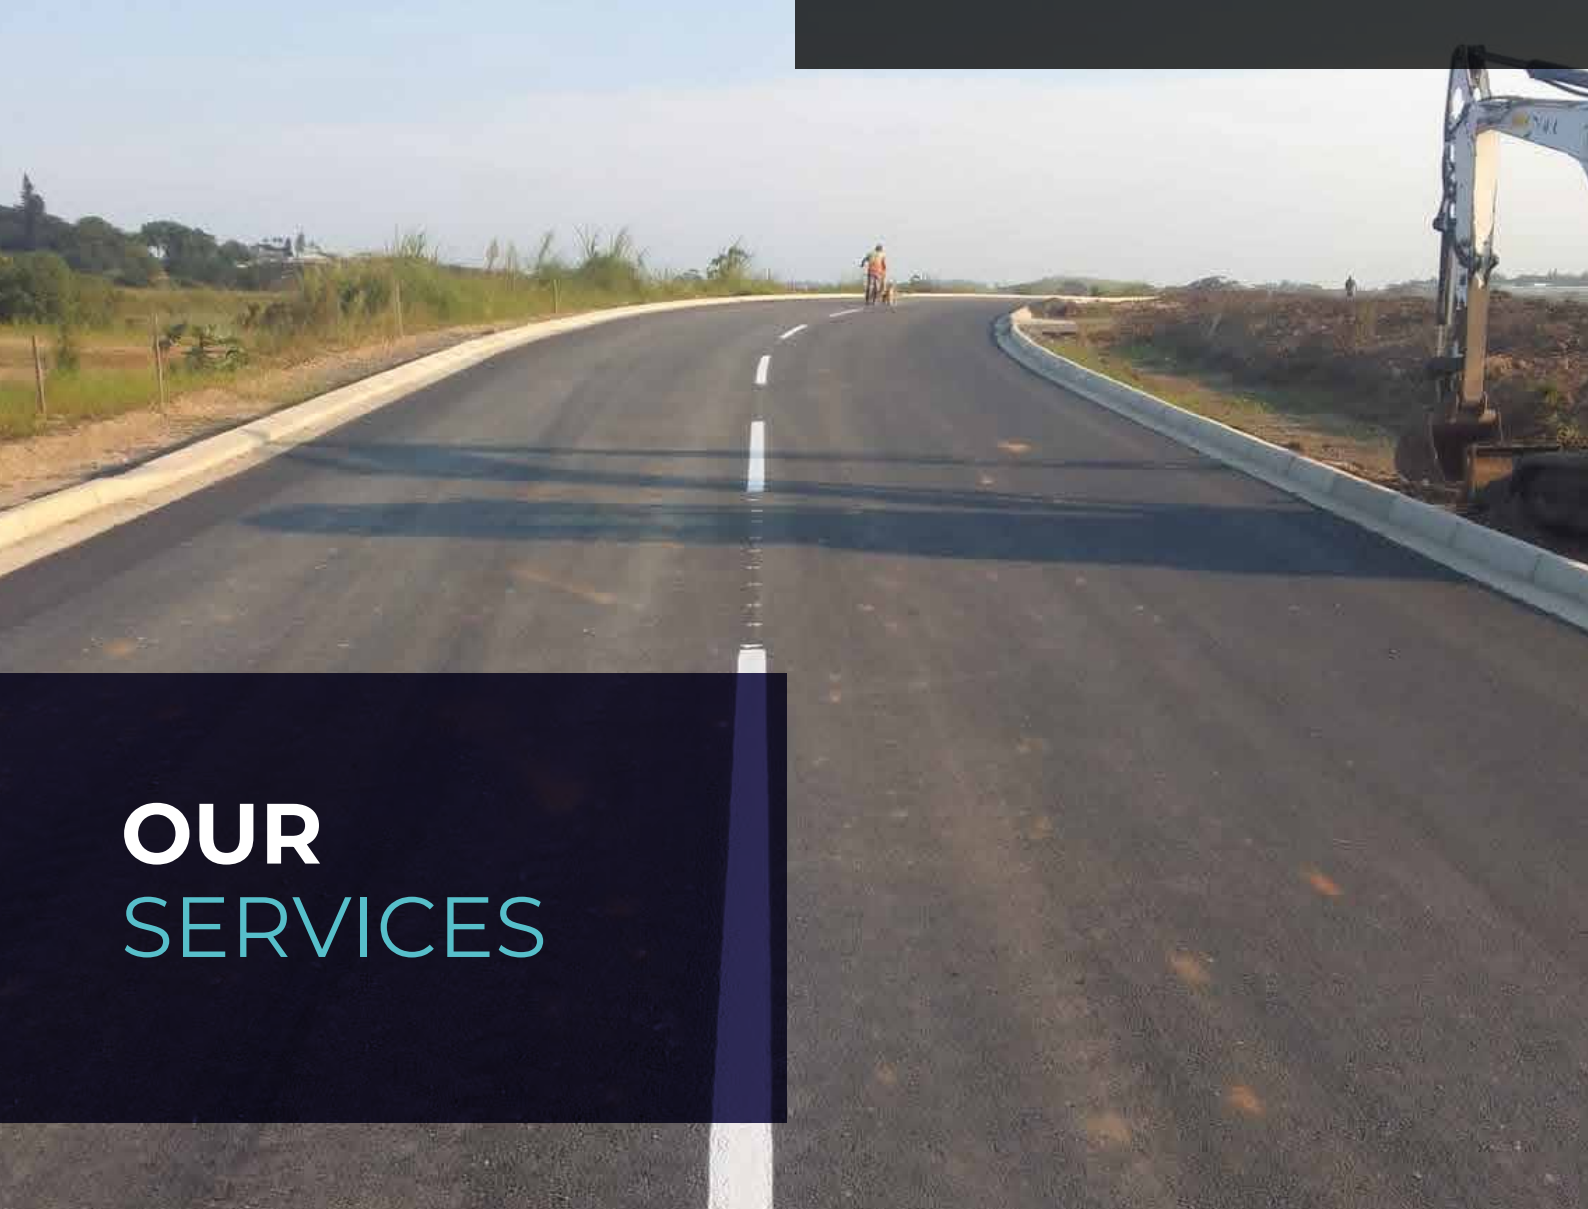

Mission

Our mission is to deliver reliable, high-quality, and cost-effective services in construction, roadworks, electrical, plumbing, cleaning, tree felling, and general maintenance. We are committed to excellence through skilled personnel, thorough training, and client-focused solutions. By maintaining strong ethical standards and a passion for service, we strive to create safe, clean, and sustainable environments for our clients—while empowering our workforce and contributing to South Africa's social and economic development.

Vision

Mqhele Wethu Trading and Projects aims to become one of South Africa's most trusted and respected service providers in the construction, renovations, maintenance, and general services industry. We envision a future where our company sets the benchmark for quality, safety, innovation, and empowerment—playing a meaningful role in infrastructure development and uplifting communities across the nation..

OUR SERVICES

At **Mqhele Wethu Trading and Projects**, we pride ourselves on delivering an integrated portfolio of professional services that meet the dynamic needs of both public and private sector clients. Our capabilities are backed by years of hands-on experience, a competent workforce, and a commitment to operational excellence.

We offer the following services:

Construction & Building Works

We undertake new builds, structural developments, and general construction for residential, commercial, and institutional projects—executed with precision and compliance to all regulatory standards.

Renovations & Facility Maintenance

Our renovation services include structural upgrades, interior and exterior refurbishments, and ongoing maintenance tailored to ensure longevity and aesthetic appeal across malls, offices, schools, and residential units.

Every road we build connects people, opportunities, and progress.

Civil Engineering & Roadworks

We deliver high-quality civil infrastructure solutions, including road construction, rehabilitation, grading, stormwater drainage, and associated earthworks—designed for durability and safety.

Plumbing Services

From installations to repairs, we offer efficient and compliant plumbing solutions for both small-scale and large-scale developments, ensuring uninterrupted water flow and sanitation systems.

Electrical Services

We provide full-spectrum electrical services including new installations, rewiring, lighting solutions, and maintenance for commercial, industrial, and residential spaces—delivered by certified electricians.

Environmental Maintenance

We provide vegetation control services including tree felling, site clearing, and grass cutting for private properties, public spaces, and road reserves, always prioritizing safety and environmental care.

Industrial & Commercial Cleaning

Our cleaning services are tailored for industrial sites, office parks, healthcare facilities, and construction environments—ensuring hygienic, compliant, and well-maintained workspaces.

Catering Services

We offer reliable, hygienic, and professional catering solutions for corporate functions, government projects, and remote site operations—delivered by trained hospitality staff.

Customised Project Solutions

We manage and deliver specialised projects across various sectors, combining project management expertise with operational capability to meet client-specific requirements.

PROJECT MANAGEMENT

At Mqhele Wethu Trading and Projects, our project management approach is built on precision, accountability, and efficiency. We combine skilled leadership, proven systems, and an experienced workforce to ensure the successful delivery of every project — from planning to completion.

Structured Planning & Execution: We begin with thorough project scoping, risk assessment, and resource planning to ensure clarity, control, and alignment with client expectations.

Experienced Project Teams: Our teams are led by qualified personnel with hands-on experience in construction, renovations, roadworks, plumbing, and general maintenance — ensuring skilled execution at every level.

Client Communication & Reporting: Clear communication is key to our approach. We maintain transparent progress reporting and ongoing client engagement to ensure all milestones are met with satisfaction.

Continuous Improvement: We review each project post-completion to capture lessons learned, improve processes, and reinforce a culture of operational excellence.

Compliance & Quality Control: We adhere to all CIDB, CSD, COID, and safety regulations, with strict quality checks.

COMPANY HIGHLIGHTS

At **Mqhele Wethu Trading and Projects**, we bring together expertise, compliance, and community empowerment to deliver high-impact construction and maintenance services. Our track record speaks to our commitment to quality, professionalism, and transformation in South Africa's infrastructure space.

01

100% Black Woman-Owned

Led by Maryjane Nonhlanhla Zwane, our company is proudly black woman-owned, actively contributing to economic empowerment and inclusive growth.

02

CIDB Graded: 8CE PE / 7GB PE

Our high CIDB grading reflects our proven capacity to deliver complex civil engineering and general building projects at scale.

03

Multi-Sector Experience

We serve government, mining, commercial, and domestic clients with services ranging from construction and roadworks to electrical, plumbing, and general maintenance.

04

Fully Compliant & Accredited

Registered with CSD, SARS, COID, and other regulatory bodies, we maintain strict adherence to all legal, safety, and environmental standards.

THANK YOU :)

Closing Message from Our Founder & CEO

As the Founder of Mqhele Wethu Trading and Projects, I remain committed to building a company that delivers excellence, empowers people, and contributes meaningfully to South Africa's development. Every project we undertake is a reflection of our values—quality, integrity, and transformation.

Thank you for considering us as your trusted service provider. We look forward to building lasting partnerships and creating impactful solutions together.
